Together, Peninsula Private Hospital and Beleura Private Hospital have created a unique free community service **The Peninsula Community Wig Centre.**

This is available to anyone on the Mornington Peninsula who is experiencing hair loss due to chemotherapy treatments.

There are a variety of wigs and scarves available on loan to patients. The Peninsula Community Wig Centre is provided and funded between Peninsula and Beleura Private Hospitals, private sponsors and community groups.

The Peninsula Community Wig Centre is run by volunteers many of whom are qualified hairdressers.

Hours of Operation: Wed - 10am to 2pm
& Thurs - 10am to 2pm.

Please phone **0407 525 119** as clients are seen by appointment only.
